- Implementation of this policy
- Monitoring absence data and reporting it to the home schools

- Liaising with the home schools to address any concerns
- Building positive relationships with parents and implementing interventions to support attendance.

Recording attendance

Attendance register

We will keep an attendance register and place all students onto this register.

We will take our attendance register at the start of the first session of each day and it will mark whether every student is:

- Present
- Absent due to illness or medical
- Unable to attend due to exceptional circumstances
- Any amendment to the attendance register will include:
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

The register will be taken at 09:00am Monday to Friday and again at 12:00pm & 1:00pm Monday to Friday.

Unplanned absence

The student's parent/carer must notify the provision by email or phone on the first day of an unplanned absence as soon as practically possible.

We will mark absence due to illness as authorised unless the provision has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the provision lead will contact the parent/carer to establish if there is a concern or worry that is preventing the student from attending. We will also contact the home school and notify them of our concern.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the provision in advance of the appointment.

Parents/carers should contact the provision by email or phone.

However, we encourage parents/carers to make medical and dental appointments out of the provision hours where possible. Where this is not possible, the student should be out of provision for the minimum amount of time necessary.

Lateness and punctuality

A student who arrives late will be marked as late, using the appropriate code, unless it is due to transport issues.

Following up absence

Where any student we expect to attend the provision does not attend, or stops attending, the provision we will:

On the first occasion: follow up on their absence with their parent/carer to ascertain the reason, by phone call or email.

On the second consequent occasion: Contact the home school and ask for their support.

On the third consequent occasion: Attempt to arrange a face-to-face visit at our provision or at the student's home address.

Reporting to parents/carers

Students' attendance data is shared with parent/carer and home school in the weekly feedback reports. It is also shared during EHCP, LAC and other meetings with parents/professionals.
